					Allendale Robotics MS Tournament		

Note: Some session dates are reserved for middle school teams, noted as -MS\*.

Session selection will open on September 15 on a first come, first served basis. Registered teams will be emailed the information to select their session dates and a schedule will be published online. There will be separate invitational finals event for both middle and high school teams. The top 24 teams from each age group will be invited based on the combined ranking (by average win points/match) of all of the league nights as determined by the Vex Tournament Manager software. To qualify for the finals, teams are required to compete in at least four league sessions. To qualify for the finals, teams must also compete at least once in each Session Block (A,B,C). The session calendar is split into three blocks. The finals will be scheduled across two nights. All league scores will be reset. The first night will have five qualification rounds and skills, the second night will have two qualification rounds, skills, elimination alliance selection, elimination rounds, and awards.
